WEEKLY COST		
 Up to \$200	 \$201- \$500	 over \$500

## NATIONWIDE

[American Camp Association](#) – Summer Online Learning

[Beltway Bambinos](#) – Education Activity

[Brain Chase](#) takes a creative approach to enrichment. It starts in June and runs for six weeks; kids work on math, reading, and typing all while competing in a real-life treasure hunt for the chance to win a scholarship.

[Bright Horizons World at Home](#) Invites you to explore their library of enriching activities from Bright Horizons educators to enhance your child’s learning and engagement.

[Digital Dragon](#) provides kids an opportunity to work in Game Design, Roblox, Minecraft, Film Production, Digital Art, and Coding. Ages 8-18

[Geering Up](#) provides all of the children and youth with the opportunity to investigate engineering, science, and technology in a fun, educational and safe environment.

[Girls Rock DC](#) is facilitating free online workshops for youth throughout the year! We’ll be covering art, music, social justice, and all kinds of fun topics.

[Kids at Art](#) has age-appropriate classes and projects for kids focusing on the basics of visual arts including painting, drawing, collage, sculpture, and more.

[Kids Out and About](#) is offering [Zoo webcams, online tours, exhibits, sneak peeks, activities, games, and lots more](#). Ages 2-12

[Kids To Pros](#) offers week-long camps for grades K through 8 which include a combination of activities across STEM, Coding, Art and Sports -- activities that will improve your child's critical thinking skills, spark their creativity, prepare them for a high-tech future, and get them moving! Ages 5-12

[Language Immersion](#) offers online learning tools to help your children learn to speak a new language naturally.

[National Academy of Athletics'](#) motto is "PLAY HARD. HAVE FUN." Virtual sports camps for kids will keep your kids healthy and active while having fun. Drills in a variety of sports (Football, Baseball, Basketball, Cheer, Football, Martial Arts, Soccer, and Volleyball) will improve your child's skills of their favorite activities.

[PBS Kids](#) offers a variety of practical, step-by-step plans to incorporate learning and playing into the dog days of summer. You can search by age and topic to find tons of age-appropriate ideas to keep kids active and engaged.

[The Gym for Kids](#) provides little ones with fun activities, Music, Games, Basic movements, and more.

[The Crazy Coupon Lady](#) – Online Summer Activities

[Teach Hub](#) – Summer Online Education

[Time 4 Learning](#) – Summer Learning

[Varsity Tutors](#) offers **FREE** interactive, live online classes taught by highly qualified instructors (graduates of Yale, Johns Hopkins, Michigan, Texas, and other top schools) and designs lessons to nurture curiosity and inspire a love of learning.
